What the Ten Commandments teach us:

1. Our obedience is a response to what God has already done 20:2
2. God alone is worthy of our worship 20:2-6
3. Worship involves our horizontal relationships as well as our vertical relationship 20:12-17
4. Worship involves loving others in the way God has loved us 22:21-27, 23:9
5. Our obedience enables us to fulfil our mission of being a light to the nations 19:6, cf. Deut 4:5-8
